**Poets Prattlers
Pandemonialists
7pm 24.10.17**

What happens when three poets who barely know each other decide to put on a show?

Join Dave, Emma and Steve as they meet in a pub somewhere a lot like Wolverhampton and plot their path to fame and fortune.

Will they be distracted by beer and scratchings?

Will they put the world to rights?

Come and find out.

An evening on poetry like you've never seen before.

May contain language. Suitable for age 18 and over.
